

HULL LIFESAVING MUSEUM

SAVING LIVES THEN. CHANGING LIVES NOW.

2021 Sea and sky Exhibition ~ Artist's Statement

Betsy Taylor

Elizabeth Lee Taylor, AKA Betsy Taylor, earned her BFA in Illustration from Rhode Island School of Design. Her original focus was drawing figures and fashion illustration. As a freelancer in commercial art, she began painting and teaching in the 1990's.

Betsy's rich, color-saturated images are the result of painting places she loves to be in, getting caught up in the challenge of light and hue. Catching not only a likeness, but the essence of a place or an individual's personality is truly what Betsy sets out to portray in any medium. Her preferred media are oil and acrylics.

Betsy is involved in everything Hull Artists: on the Board of Directors; working on the committee to develop Nantasket Center for the Arts in the old Hull Police Station at Nantasket Beach; manning Gallery Nantasket; installing the art in the Gallery and local venues; creating graphics for posters and ads.

Betsy's paintings are available in this Sea and Sky Exhibit, Gallery Nantasket, The Cohasset Senior Center, Nantasket Sweets, and in Nantasket Beach Resort.
