

# HULL LIFESAVING MUSEUM

SAVING LIVES THEN. CHANGING LIVES NOW.

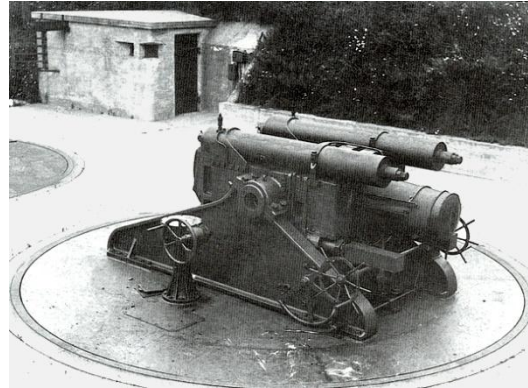

## Fortress Boston Walking Tour

Date: Saturday, December 11, 2021

Time: 10 am – 11:30 am

Fee: \$15 per person

Boston has been a key commercial, cultural and political center since the beginning of our country. As this area grew and prospered, the need to protect it, grew as well. We'll be taking a detailed look into how the military presence has developed in this area from the time of the Pilgrims and Puritans through the Cold War between eastern and western powers. Many of the areas we enjoy walking have layers upon layers of stories to be told and each are reflective of the fear, courage, and determination during challenging times. Bundle up and bring your sneakers while Sean Baggett leads this walking tour as we look to uncover the network of forts and sites that make up Fortress Boston.

**Meeting Location:** Hull Lifesaving Museum, 1117 Nantasket Ave., Hull, MA

**What to Bring:** Check the weather and dress appropriately and wear walking shoes. Bring a camera and binoculars if you have them (we will bring a pair of binoculars to share).

**Special Note:** The museum gift shop will be open after the tour and tour participants receive a 5% discount on all purchases on the day of the tour. This is a great opportunity for Christmas shopping without going to a large crowded store.

**Rain Date:** In case of poor weather, the walking tour will be held the following day at the same time.
